About our Community Artists & Gallery

You are part of a very special & unique group of “Creatives” of All ages, backgrounds, & abilities! People create for different reasons... some like staying busy, others like the challenge of learning, still others enjoy “giving back” to the community, or the birds. Regardless of Your reason, we Thank you, and Celebrate your creation & your generosity! At Daydreamz project we believe that Creativity is borne within each person & comes out in many amazing ways, from cooking, decorating, & building, to gardening, tinkering, problem solving, & more. We encourage you to tell everyone that You are part of a Community-Art Gallery exhibit. And be proud of it!

About Daydreamz project

Since 2000 Daydreamz artists have worked to Build Community thru Creative explorations. Working with groups that don't often have opportunities to create or be heard, like isolated senior citizens, folks with disAbilities/Differently-abled, troubled youth, homeless individuals, the pollinators & more. We hope to BEE the Change our communities & the future need.
