**Everyday Heroes-
show them YOU care!**

Every day now, while the World waits to get over COVID-19, some people still go to work. They deserve our **THANKS**, for keeping things going while the rest of us stay home for safety. Please make a Heart, and share Your Thanks by giving it to: your postal worker, trash pickup, bus drivers, cooks, Healthcare workers, cleaning crews, store clerks, & more... **if the origami heart does not work for you, make your own & give that instead!**

On the next page are a few ideas... Now, what will you IMAGINE?

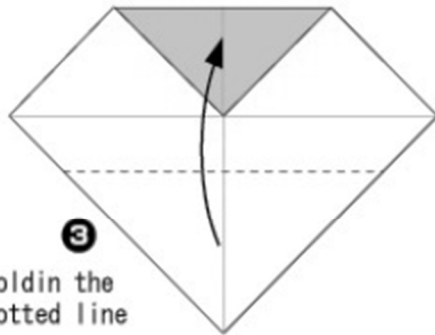

(Then, remember to share with us,
